

Hello Campers,

We are pleased that you are coming to enjoy Camp Firewalker this summer. We know that you'll have a great experience at our high adventure camp. Many will learn more about themselves during this week than at any other time in their lives. We have seen the spirit of this camp change lives and we hope that it will have the same effect for your group.

Enclosed in this package you will find some key information to make your camp experience successful. First is the Unit Planning Guide which contains information you need to know as you are preparing the group to come and enjoy a wilderness camp. Please read it carefully.

Next, you will find a sample schedule. It will give you an idea of the types of things that can be done at the camp. We will talk with you in the near future to customize your group's camp schedule. You can see from the enclosed map where all of the events are located at the camp and where the campers will be staying.

You will also find a suggested list of equipment for campers to bring to camp. We suggest that each participant get a copy. (It is the same one as contained in the Planning Guide).

There is a copy of the Risk Advisory (same one as contained in the Planning Guide) that parents should get prior to their youth attending camp. This will advise them of the possible dangers associated with high altitude and high adventure camping.

You will also find a copy of the physical form. We must have a physical form filled out and signed by a doctor for each camp participant, both youth and adult. If someone has had a physical for a school sport during the 12 months prior to your arrival date, it may be used in place of the enclosed physical (same form as contained in the Planning Guide).

There is also a Registration Form for you to complete. It contains information on the deposit needed to continue to reserve your week. It is due April 1st. Try to be as accurate as possible as you list the numbers of campers attending with your group. These numbers are used to do preliminary planning for staff. Remember the deposit is non-refundable.

Again, we are excited to have you join us at Camp Firewalker. We look forward to your arrival. If you have any questions, please do not hesitate to call.
